Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when He shall appear, we shall be like Him; for we shall see Him as He is.

{ 1 John 3:2 }

"Come worship as 'The Refiner's Fire' frequently fellowships." I'll say it again - " 'The Stratosphere' is not for wimps." "The higher you go, the hotter it will get!." Can Y-O-U stand 'The Heat?'

- Prophetess J. Godley-Ramos -

Join "Prophetess J." for the 11:00am-1:00pm Sunday morning service. Many in The Body of Christ, at this time are journeying through one form of transition or another, as they persevere towards "The Mark of the High Calling of God."

There are those who find themselves without a church to call "home" - for whatever the reason. Some have been wounded by "religion" and now, they are angry and refuse to attend. Still others are incarcerated and cannot attend a service, even if they want to.

Many today are bound to their homes due to illness, lack of transportation or because of a physical, mental or other pressing limitation. Others are homebound because they must watch over an ailing loved one. God knows and He also cares.

Finally, there is "a remnant", summoned by Almighty God, to the wilderness, for a season. And though we may not understand, and neither are we particularly pleased with our plight - we will yet praise HIM! Any questions?
