

TO INAMORATO WITH LOVE

Many days have passed with
You amidst my dreams
My thoughts
My every thing
A love so tender
The sweetness of its presence
Is recognized
The energies of a passionate love
Everlastingly shared
Within two hearts
Yet shielded by undenying
Vows of sacredness
Bounded to another
Consciously desiderating its freedom
From a reality that was before
Destined to be
Without a moments notice
The hearts became captured
By a fate of love
That offers all that our
Dreams are made of

GWENDOLYN A. THOMAS

Author, "FROM THE HEART OF AN ARTIST QUIET STORM"

BLOOM BOOK OF THE MONTH**Linda Dominique Grosvenor****Sadorian Publications****ISBN: 0974171417****Published: October 2003****Rating: 4+ Stars EXCEPTIONAL****Reviewed by: Shelia M. Goss**

BLOOM is a refreshing new novel by Linda Dominique Grosvenor. The story centers on the lives of Lily Manchester and Alex James.

Lily is the owner of BLOOM, a florist shop located in the beautiful town of Bliss, NC.

The beauty of the flowers pale in comparison to Lily's natural beauty. Lily and Alex meet by chance, or is it?

Alex is much more than just your average deliveryman. Lily soon finds this out as the story progresses. The attraction he has for Lily is evident from the beginning. He does everything within his power to convince Lily that his attraction is more than just physical.

Although they are physically attracted to one another, there is a major difference that Lily finds hard to overlook. Just when you think Lily & Alex are headed in the right direction, a blast from Lily's past shows up and threatens to ruin everything.

Will Lily & Alex be able to get past their differences and build a solid loving relationship or is their relationship doomed from the start?

BLOOM is an enchanting story and once you start reading it, it's hard to put down. Ms Grosvenor touches on a subject that is normally not written about. As you read the story you or someone you know may be able to relate. It would make a lovely addition to your book collection.

EVERYBODY GOT ISSUES**V. Anthony Rivers****Strebor Books International****ISBN: 1-59309-003-X****Published 2003****Rating: 4+ Stars EXCEPTIONAL****Reviewed by: Shelia M. Goss**

EVERYBODY GOT ISSUES is a well-written sophomore novel by V. Anthony Rivers. This page-turner entices the reader to keep reading as each page unfolds drama happening behind the office doors of Montaqu Publications. Each chapter is written from one of the main character's point of view.

Avonte Douglas is handsome, manipulative, and ambitious. He does whatever it takes for him to climb the corporate ladder. He is so driven, that he makes a mistake and crosses the line when it comes to office romance. Will he be able to rebound from this mistake?

Ina Sinclair has a reputation of being rude and obnoxious when it comes to breaking in new employees at Montaqu Publications, but that all changes when she meets Avonte. Ina won't stop until she has him right where she wants him in her office and in her bed.

Nakia Davidson is your "around the way girl" who is able to balance living in the hood to being in corporate America. Her personality brings some flair to the office and although she doesn't trust Avonte, it's something about him that draws her to him. Is Avonte trustworthy or is Nakia correct in her initial assessment of him?

Mr. Rivers in EVERYBODY GOT ISSUES shows that office romances can be great when their good, but when they're bad, you better watch out. This drama-packed novel will have you glued to the pages until the very last page.

IN THE EYES OF TRUTH**Shelley Parris****Infinite Possibilities Publishing Group****ISBN: 0-9729912-8-X****Published 2003****Rating: 3+ Stars GREAT****Reviewed by: Shelia M. Goss**

IN THE EYES OF TRUTH is an inspirational novel by newcomer, Shelley Parris. Ms. Parris is a fresh new voice in this genre.

The story is told through the eyes of Nina Montgomery and her teenage daughter Zoe. Nina has issues from her past that she can't seem to let go. She continuously gets involved with the wrong man for the wrong reasons.

Zoe is wise for her age and sees the path of destruction that her mom is headed and vows to lead a better life by making wiser decisions. Can Nina be the role model that Zoe needs in her life?

Nina finally comes to terms with the fact that she must make some changes in her life if she's to set a good example for Zoe. The first step is deciding to move back in with her mother in Florida. Her and her mother's relationship is rocky to say the least, but Nina is determined to get away from her problems. Will her problems follow her from New York to Florida?

The characters of IN THE EYES OF TRUTH must learn to trust and have faith. Ms. Parris has a message to tell and she does it well as IN THE EYES OF TRUTH follow the transformation of Nina from being a self-centered person to one that finally opens up her heart to receive God into her life.

LUCK OF THE DRAW**Carolina Garcia-Aguilera****HarperCollins Publishers****ISBN#: 0-06-053633-0****Published 2003****Rating: 4 Stars EXCELLENT****Reviewed by: Shelia M. Goss**

LUCK OF THE DRAW is another great mystery written by Carolina Garcia-Aguilera. She skillfully adds humor to what may otherwise be just another mystery novel. The mystery involves the disappearance of a member of the Navarro family.

The Navarros are a proud Cuban family that resides in Miami. The parents call a meeting at their Miami home to make a special announcement. Everyone shows up, except for one of their daughters' Diamond. This frightens the family because it is unusual for everybody not to show up for a family gathering.

After countless phone calls and inquiries, it is determined that Diamond is missing. Esmeralda, the oldest daughter, must leave her family and friends behind in Miami and travel to Las Vegas to find her missing sister.

The adventure begins the moment Esmeralda touches ground in Las Vegas. She finds out quite a few interesting things about Diamond. She must avoid putting herself in danger as she searches for her sister. She meets with an old family friend from Cuba that later result in his death. Esmeralda's nerves begins to get the best of her and she fights to find her sister before anything else happens. Can she locate her sister in time or will it be too late?

If you like mysteries, Ms. Garcia-Aguilera's LUCK OF THE DRAW, is a must read. The fun part about reading a mystery is trying to solve it along with the heroine. After reading the first chapter, it was hard not to be drawn into the story.

MATTERS OF THE HEART**Sabrina McAfee****Write On Publishing****ISBN: 0-9741565-0-7****Published 2003****Rating: 3+ Stars GREAT****Reviewed by: Shelia M. Goss**

Sabrina McAfee's debut novel, **MATTERS OF THE HEART**, is full of romance with an added dose of suspense. Nurse Katilla Richardson and Dr. Kenneth Michaels both work at the same hospital and although their first meeting is under traumatic circumstances, the attraction between them is undeniable.

Katilla immediately finds Kenneth attractive, but she pursues him with the hopes of furthering her career. The closer she gets to him, the more she realizes that she actually cares about him. Kenneth suffers a grieving heart. After losing his wife, he also lost his bedside manners. The bitterness he feels can be seen and felt by all.

Katilla is able to remove the barriers and Kenneth is able to laugh and love again. Things are going along great until a blast from Katilla's past wrecks havoc in her life. Her ex-boyfriend has a secret that could not only destroy Katilla and Kenneth's relationship, but Kenneth's medical career.

Just when you think, the story is winding down; Ms. McAfee throws in some surprises. Enjoy the story, as Nurse Katilla Richardson and Dr. Kenneth Michaels learn how to deal with **MATTERS OF THE HEART**.

The Purest of Pain**Anna Dennis****APEX PUBLISHING****ISBN: 0-9706257-1-5****Published: 2003****Rating: 4 EXCELLENT****Reviewed by: Shelia M. Goss**

Anna Dennis is back with **THE PUREST OF PAIN**. Ms. Dennis has written another page-turner, as you'll soon discover with her main characters - Devin and Taylor Harris.

Taylor has achieved success in her professional career, but struggles with holding together her marriage. Devin spends more time building his business, than with his family.

They both struggle to make their relationship work. Several things are against them, mainly lack of trust and time. Taylor battles with the knowledge that Devin cheated on her. Her internal battle causes her to do things out of the ordinary.

An earth-shattering event occurs that causes Devin to take stock of his life. He realizes what's important and promises to make changes in his life- starting with his marriage.

Is it too late to savage his marriage? Is Taylor's pain too deep for her to forgive? Can they learn to trust and love one another again?

These answers can be found in Dennis' exhilarating sophomore novel. **The Purest of Pain** should gain Ms. Dennis more fans.

IS
READER FRIENDLY**

He's Just a Friend**Mary B. Morrison****Dafina Books****ISBN: 1575669153****Published: August 2003****Rating: 4 Stars EXCELLENT****Reviewed by: Shaun Williams**

He's Just a Friend shows how carelessly woman cast the title of their male companions even if he means more to them.

Fancy Taylor is a alluring, flirtatious, young woman whose dilemma is her misuse of the men in her life. Unfortunately, Fancy's searching for love in all the wrong places and a bad decision forces her to make drastic changes in her lifestyle. Her friends hope that this situation will help her see the error of her ways. Her friends stick close to her as she goes through some trying times and help her learn life lessons.

Desmond Brown is allegedly her best friend but no one can tell by the way she treats him not even Desmond. He is a hardworking, blue-collar man with a lot of love to give Fancy if she would just give him the time of day. Desmond is at her beck and call seeking to consume her mind, body and soul.

He's Just a Friend's flavorful spin on building solid relationships between men and women, self-esteem, family bonds and more. Ms. Morrison threw in a few principles with her poetry for respect and getting familiar with self. Along with that we got a blend of passion, indecision, romance, intrigue and a huge dose of drama laced with individual love and forgiveness. I shouldn't forget that we get a chance to revisit some characters from Ms. Morrisons previous books (i.e. Soul Mates Dissipate)

Flying High**Gwynne Forster****BET Books/ At Your Service Military Series****ISBN: 1-58314-427-7****Published: September 2003****Rating: 3 Stars VERY GOOD****Reviewed by: Shaun Williams**

U.S. Marine Colonel Nelson Wainwright is a good-looking, virile man who "oozes sex" as one sister who had the extreme pleasure of meeting him so eloquently describes. Nelson's been burned by love in the past and is unwilling to go forward with that part of his life until he meets the beautiful Audrey Powers. Fortunately, Audrey can heal him in more ways than one; by mending his heart, and alleviating the pain he suffers from an injury he endured while on duty in Afghanistan. Audrey's Aunt Lena is the catalyst for their meeting out of concern for Nelson's health she tricks her into babysitting. Both are drawn into a realm of romance, swept away by the intense passion and sexual tension that disturbs their persistence to avoid a relationship. As soon as Nelson and Audrey stop fighting their attraction, danger looms on the horizon. After two near fatal accidents neither is willing to give up the love they share. Their choice is to give in to the feeling and look forward to a future together.

Gwynne Forster gives a romance pure and simple. Mrs. Forster thrust a hard-core marine in the way of a strong female doctor and gets a love connection. We also get to revisit the lives of Mr. & Mrs. Rufus Meade from "Sealed With A Kiss," published Oct 95 by Pinnacle/Arabesque books to see how they've been. Mrs. Forster book concludes the "At Your Service" series with a Bang! Flying High will leave you with a strong belief in true romance, second chances and love everlasting.

Saxual Feelings**Luke Thomas****Ebonyforce Publishing Group, LLC****ISBN: 0-9721374-0-8****Published: 2003****Rating: 3+ Stars GREAT****Reviewer: Kaia Alderson**

Starting with the opening scene, newcomer Luke Thomas makes sure his debut novel snatches your attention. Hot! Hot! Hot! The story follows saxophonist Maurice LaSalle as he transitions from ladies man to man in love. However, he is unprepared when the traps and temptations of his old ways tests the strength of his commitment to Ebony.

Photographer Ebony Stanford's instant attraction to Maurice overwhelms her bruised heart. She proceeds with caution, but who can resist a man on a mission to seduce her heart? Especially when he's seducing her with a saxophone? Now, she must learn again to trust.

This novel contains a bit of everything: sex, love, betrayal, and tragedy.

Luke Thomas impressed me most through his depiction of Jamal, Maurice's best friend. This character is the king of all dogs when it comes to women. But the author arouses the reader's sympathy for the man by story's end.

I also enjoyed the father-son interaction between Maurice and his mentor Simon. I can't wait to see what Luke Thomas has in store for his next novel.

How To Buy a Man**Monie Valentine****XLibris Corporation****ISBN: 1-4010-2209-X****Published: 2001****Rating: 2+ GOOD****Reviewer: Eugenia Renskoff**

How To Buy a Man tells the story of two women, one beautiful and poor, the other successful and on the plain side, who love the same man.

Troy is in his early 30s and he's being put through school by his live-in lover, Brenda. When he meets Reeham, a young college student, he finds what true love means.

Brenda is blunt about her low self-esteem and she is willing to do anything to keep Troy. Her character is the most interesting one as it shows how a woman who has a great job can still be unhappy and needy for someone who may not be good for her.

Troy is realistically portrayed; he clearly loves Reeham, but finishing his education is all important. Reeham tries to do the best she can under the circumstances (she loves him and wants to trust him) but her character is not as compelling as Brenda's. This novel might have been better with Brenda as the protagonist.

Dating Games**R.M. Johnson****Simon & Shuster****ISBN: 0-7432-4455-9****Published: 2003****Rating: 4 Stars EXCELLENT****Reviewer: Helen Banks**

Dating Games is a vibrant story that draws you into the lives of each character and leaves the reader with the conclusion that family is of utmost importance.

Livvy Rodgers had teenage twin daughters, namely, Alize and Hennesey. Livvy was a teenage mother when the twins were born and wanted something better for her daughters. Supporting her twins alone as a nursing assistant, Livvy decided to attend nursing school.

The twins grew up without a father and were as different as night and day. Alize was boy crazy and Hennesey was a bookworm. Boy crazy Alize came up with a scheme to get money so that she could move out on her own when mom went back to school. The scheme was not only risky, but also dangerous. Hennesey on the other hand was working to save money for college.

Hennesey fell for Rafe, a one-time convict against her mother's wishes. Just as Livvy got accepted into nursing school events happened to forever change all their lives.

Dating Game is a riveting read that keeps you on the edge of your seat until the end.

I SAY A PRAYER FOR ME**One Woman's Life Of Faith And Triumph****Stanice Anderson****Walk Worthy Press****ISBN#: 0446691623****Published: January 2002****Rating: 4 Stars EXCELLENT****Reviewed by: Camellia M. Johnson**

This journey of real life events will keep your attention and most in important it will show you where the author's strength comes from. Stanice puts you in the front seat of her life. Even the secret dark details of her life she exposes light to them and becomes free by the word of her testimony. She gives God all the glory and helps the reader pray a prayer after each chapter to help them become free. She gives the reader a gift of knowledge based off her experience with God and his word that states "Jesus Christ the same, yesterday, today and forever."

Stanice book has steps of growth in God. Just her chapter titles alone gives some insight into the process it takes to live holy once accepting Jesus as your Savior. She starts with "Invite God into your life"; "Faith"; "Trusting in God's perfect plan"; "Compassion"; "Surrender to God's will"; "Let go and let God"; "Forgiveness"; "Prayer"; "Hope" and "Loving Kindness." The process never ends and Stanice's stories of her life show how she went from faith to faith and glory-to-glory all in God's grace.

Because Stanice went through so much and God brought her through it all, this book can help most situations in that happen in life. The book gives hope to drug users, disrupt families, rape victims, peer pressure and parenting just to name a few. All readers from all venues will benefit from reading this book of hope as I call it.

The book flowed from chapter to chapter and growth to growth in God. At the end of the book she gives scriptures to study and asks questions to prompt the reader to think and ponder on their own life after walking through Stanice's life. These questions will set you free if you're honest with yourself, you're real self. The one only you and God know.

Use Me Or Lose Me**Maryann Reid****St. Martin's Press****ISBN: 0-312-31437-X****Published: 2003****Rating: 3+ Stars GREAT****Reviewer: Kaia Alderson**

Maryann Reid succeeds in keeping the reader's attention throughout this 280-page soap opera. But don't expect to find any likeable characters, except maybe Farah's best friend Lola. And even she has her own mini-drama in the story line. However, this book will be hard to put down.

Use Me Or Lose Me explores how much one woman is willing to put up with from the man she loves and how far she will go to achieve her goals. Star news anchor Farah Washington, a feature character in Reid's first book *Sex & the Single Sister*, has no shame in her efforts to top the New York City and national news markets. Not even when it comes to hooking up with the network's sexy attorney Lenox Whitworth during her contract negotiations. Lenox, the international lover Prince envisioned, has women all over the Caribbean and two continents vying for his attention and ready at a moment's notice to satisfy his desires. But he sets his eyes on Farah not knowing she's turn out to be everything he needs as a friend, lover and partner.

New York City. St. Tropez. Kingston, Jamaica. Martha's Vineyard. The novel provides an insider's scoop on the Black, rich and famous. The reader can feel, at times, as though she tagged along on the whirlwind international escapades that the author created. And, as if they personally experienced all the drama that went with it too. Talk about hot sex, betrayal, drugs and DRAMA! Attention anybody addicted to "Lifestyles of the Rich & Famous" or "Sex and the City": this book is for you.

The Cradle Robbers: Misdemeanor**Tanya Marie Lewis****Sadorian Publications, LLC****ISBN: 0971814864****Published: June 2003****Reviewed by: Ty Moody**

Whenever you read a debut novel, there is always some trepidation. Tanya Marie Lewis crushes that uneasiness and breaks through with a memorable first novel, *Misdemeanor*. This novel is first in a new series entitled *The Cradlerobbers*.

The writing style flows easily and reads like a journal. Readers are introduced to Malena as a young child. Her father has past away suddenly leaving this little girl and her family distraught. Unable to cope directly with her father's death, young Malena holds fast to the faith her father passed onto her --- secretly looking forward to his return. As time passes on, Malena never accepts her father's death, she simply harbors the pain and moves on.

During her young adult years, the innocent girl from the first part of the book is replaced with a more sophisticated, but superficial Malena. She seeks fulfilment often times in older, wealthy men. The harder she works to achieve her dreams of success and security, the emptier she feels.

The one constant hope in her life is Grant Carpenter. The young precocious boy from her childhood Sunday School class still loves her and strongly believes she will be his wife one day. Now a handsome, God-fearing man, Malena sees the younger man in a different light and a relationship progresses. Unfortunately, the most promising relationship in Malena's life becomes jeopardized by her lack of ability to truly love.

Lewis does an outstanding job with her first novel. The book is a quick and easy read, filled with emotional intensity! Age is indeed nothing but a number as one woman comes to grips with her faith and walks in to her God-driven destiny.

A Little Dare**Brenda Jackson****Silhouette Books****ISBN: 0-373-76533-9****Published: 2003****Rating: 3 Stars GREAT****Reviewed by: Renee Motley**

Delaney's Desert Sheik gave us a at the Westmoreland brothers. This is Dare's story. Sheriff Alisdare Westmoreland, looks into the face of the woman he loved and let go when she comes to the station to get her son. Dare arrested an unruly preteen, A.J. While looking for A.J., Shelly Brockman finds out where her son is - - with the sheriff. Before she is ready to, she has to inform the sheriff of A.J.'s real identity.

Shelly moved back to Georgia from Los Angeles to introduce father and son and to get A.J. away from trouble. Dare and Shelly plot together to help A.J. to figure out Dare is his father.

The small town twists and turns of the plot were humorous. I found the sleepy townspeople dropping hints to Dare that A.J. was his son quite entertaining. After father and son are reconciled, they plot to get Shelly to become a part of the Westmoreland family.

A Little Dare is a quick and pleasant read. Pick this one up and expect a Harlequin romance with a little flavor. We are in for a treat with the Westmoreland brothers.

One Day I Saw A Black King**J.D. Mason****St. Martins Press****ISBN: 0-312-30154-5****Published: 2003****Rating: 2+ GOOD****Reviewed by: Helen Banks**

John King's teenage mother died in childbirth. John was in turn raised by his maternal grandmother who never really accepted him. After all John's father was someone despised and ignored by the whole community, nevertheless so begins John's entrance into the world. John King's entrance into the world began a journey of a kid unloved and unwanted yet despite all of this, he survived. Along the way, John heard whispers and rumors of his father, but never knew him

Enter Connie into the picture, a young woman that the adult John meets who is from a scarred past also. Connie's past was checkered with foster homes, and child abuse. Connie had just as many emotional scars and wounds that John had, but despite all of this Connie gave John the encouragement to purge himself of the demons of his past by finding his father.

A story that was emotionally charged and draining for this reader. Yet in the end John King found truth and forgiveness and along the way purged himself of the demons that had plagued him all his life. Well written but an emotionally draining story for this reviewer.

She Touched My Soul

Naleighna Kai

ISBN: 0-9702699-1-9

Rating: 3 Stars GREAT

Reviewed by: Cheryl A. Walton-LeCompte

Has there ever been one special moment in your life when you realize that the person standing next to you is your soul mate? That no matter what it takes... you will do everything within your power to spend every waking moment with them? If you have or have not, you will become a believer in the power of love after reading *She Touched My Soul*.

Meet Mykal Arrington aka Magic, five feet nine inch, brown skin muscular built brother and musician that will pour out his heart, emotion and soul into each and every lyric of his music. In the opening chapter, Mykal makes a profound statement that gives readers a clear picture of the driving force behind the man and his music. He states..."Music has always been the key to my salvation. It's the other aspects of the music business that has me feeling that I've lost my soul". The heart and soul of a man defines his essence, integrity, character and existence. After some major career changes, he finds that his time is always that of his manager, Angelique. She is very demanding and manipulative. She attempts to control every aspect of his music and his life including choosing the right woman for him.

One evening while rehearsing for an upcoming show at the Park West Club in Chicago, Mykal meets Maya Gervais, a full figure strong, independent attorney that practices law in the Chicago area. Maya comes to one of Mykal's concerts, but she is not impressed with him...Just his music. Mykal finds her to be mysterious and cold, but is physically attracted to her at the same time. It is then that Mykal realizes that Maya is unlike any other woman that is has ever met.

Maya has a past that will have readers feeling that no one person should have to suffer from that much pain and abuse. Although, she was physically and sexually abused, as a child, she finds the strength to love again but not with Mykal. Maya's only love has been her high school sweetheart Kevin. Tragically, Kevin died some fifteen years ago and Maya has not allowed herself to love another man. As time progress, she is cautious in opening her heart to Mykal, in part because she knows about his reputation with women. Her world evolves around her career, church community and her son Kevin. Will she be able to trust Mykal with the secret that she has carried with her since her childhood? Or will she continue to deny herself of sharing her heart and soul with another man.

Within the pages of Naleighna Kai's novel, you will be inspired to believe in the magic of love and you will allow the relationship between Mykal and Maya to touch the deepest parts of your SOUL.
