Divine Inspirations for Godly Marriages

A YEAR OF TIPS FOR MARITAL BLISS

Whether you are newlyweds or you've been married for decades, a blissful marriage awaits you. Marriage is truly a gift from God, and a successful marriage requires time and attention to each other's needs. The 52 tips presented in this book can help you create the marriage that God intended for you to have.

Divine Inspirations for Godly Marriages gives couples 52 weeks of tried and true, time-tested tips for marital bliss. All it takes is 30 minutes a day, once a week, of dedicated reading time to move your marriage to the next level.

Each tip is accompanied by Tyfani and Irving's personal testimony, supportive scriptural references, discussion points, and a prayer to edify you both as a couple. Read it together and truly be blessed!

Tyfani L. Downs married her high school sweetheart, Irving Downs, on May 8, 1993, at the young age of 19. At the encouragement of a close friend, Tyfani began to send inspirational marriage tips to friends and family on a weekly basis via e-mail. Tyfani's e-mail group has grown to include couples from all over the United States, Japan, and even a U.S. Naval ship. Tyfani and Irving are the ministry heads of Forever 1, the married couple's ministry at their church, Marvelous Light Christian Ministries in Lithia Springs, Georgia.
