

Angels on High is a cozy mystery, filled with sadness, joy and suspense. It teaches the concept of not growing weary when tragedy strikes; doing good things will come back to the doer. From the tidings of goodwill at Christmas to everyday life, the story will warm the reader's heart as a friendship develops between young Jimmy and Mr. Pulaski (Mr. P.). The book is timely, filled with scriptures, and it has the wholesomeness of good reading for today. This story is filled with mystery as God's angelic messengers guide the characters through life-changing experiences. Love binds their hearts as God's love binds their souls.

Walter G. Deecki, Sr. entered the Air Force on active duty on August 29, 1972, but his life really began on May 14, 1976, when he and Debbie were married. Thirty-one years of marriage, three sons, a daughter, five grandchildren, and the many children that he came to know while working for youth organizations have given him the wonderful experiences that form the basis for this adventure. Personal observations of real life events and the hand of God have provided the ability to make this book a reality.
