BE THE CHANGE

A Nine-Month Apprenticeship Program with Susyn Reeve & Friends

You are invited to join me for a compelling and potent nine-month Apprentice Program to embody the words of M. Gandhi:

Be the change you wish to see in the world.

Are You Ready to Live the Life of Your Dreams?

If you answer *YES* to any of the following questions, then this is the program for you:

- *Is worry, fear, anger and stress a daily part of your life?*
- *Is it easier for you to complain and blame than to express and receive love?*
- *Are you imprisoned by your judgments about yourself and others?*
- *Do you often choose to be right rather than to be happy?*
- *Are you ready to walk your talk in all areas of your life?*
- *Do you believe that inner peace is the gateway to outer peace?*

I have had the privilege to study and apprentice with some of the great teachers of our time, including: Joseph Campbell, don Miguel Ruiz, Jean Houston and Robert Fritz. In addition having worked directly and intimately with tens of thousands of people I know that to truly *be the change we wish to see in the world* requires that our thoughts, words & actions be rooted in the nurturing and nourishing soil of spiritual practice. It is through Spiritual Practice that we naturally and automatically develop our sight to see the world through our spiritual eyes – greeting each person and circumstance with a resounding:

Namasté

(A Sanskrit word meaning, *The Divine in me acknowledge and honors the Divine in you.*)
