

Another Prophecy Dream

I dreamed while asleep in the night,
Jesus reveals future events to my spiritual sight.
I knew I was going to jail for his works to be done,
For the testimony of Jesus, put the devil on the run.
It weren't long down the road,
The Prophecy soon did unfold.
It happened as I'd been shown,
His word spoke to workers and inmates unknown.
And in my cell God did reveal to me,
To get this girl out, he opened the cell and set her free.
She has a testimony to share God's power with all,
He heard her prayer's when to him she did call.
God's will has been done,
Another soul God has won.
She was so amazed of how God answered her prayer,
She now has a testimony of his amazing power.
I know this sounds far fetched and men do not understand,
But God is in control and I am under his command.
All through the word of God it tells of disciples sent to prison,
God's thoughts aren't ours but all things happen for a reason.
It is to glorify his Holy name,
Just as when Jesus healed the lame.
It is to witness that God is in control of all,
So put your trust and faith in him, and to him in prayer call.

Christian Soldiers

March on to victory for the Lord

Come on Christian Soldiers
marching on to war
Come on Christian Soldiers
what are you waiting for.
Come on Christian Soldiers
put on Gods armory
Come on Christian Soldiers
march along with me.
Come on Christian Soldiers
open up your mouth
Come on Christian Soldiers
let Gods words pour out.
Come on Christian Soldiers
you know what this is all about
Come on Christian Soldiers
let me hear you shout.
Come on Christian Soldiers
the Lord is talking to you
Come on Christian Soldiers
you know what to do!

Follow After Me

I gasped as I soon realized,
That I was persecuted and criticized.
The Lord had opened my spiritual eye,
He came to the rescue of my cry.

Spiritual wisdom began to unfold,
Knowledge of truth that had been told.
In God's word we do find,
This sinful world is so unkind.

Jesus Christ the Savior of all,
On Calvary's cross took the fall.
placed all sin upon him and died at calvary,
His blood was shed to set us free.

God's word made flesh died and rose again,
Precious blood freed us from bondage of sin.
We must walk in his likeness and follow him.
He was persecuted, criticized, condemned, & crucified by them.

We must take up our cross and walk in the likeness of Jesus,
For his blood shed is what freed us.
His life laid down is what set us free,
He's calling in his Word follow after me.

God Is In Control

Jesus is my refuge on life's stormy sea,
He's the one I run to when satan gets after me.
I hold to Jesus when the sea waves do toss,
You'll find me there holding to the foot of his cross.

When you're at the red sea and it seems there's no way out,
Just stand in faith with Jesus do not doubt.
He will part the sea and make a way out for you,
Just hold on to Jesus and you will make it through.

God sent Moses to Pharaoh and told him to set his people free,
But God hardened Pharaoh's heart because it was meant to be.
God is still in control of everybody today,
He put in man's heart of what to do and say.

Men is tossed to and fro and do not understand,
But God is in control and we are under his command.
People point finger's they blame and accuse,
They deny Christ and him they refuse.

Life is a constant battle on this journey below,
Just trust in Jesus he's in control.
No matter what storm in life you may face,
Just hold on to Jesus and he will save you with his amazing grace.

No matter how ruff and rocky the road you travel may get,
Just put your faith in Jesus remember he's in control don't forget.
When troubles arise don't point fingers blame and false accuse,
Run to Jesus put your trust in him and do not refuse.

God's Power

Lie Lie mountain high,
On bended knee's you shall cry,
God Almighty high above the sky,
Shall bring you to repentance nigh.

Corruptness shall from you flee,
Soon you'll be on bended knee,
For I pray for God to set you free,
And this I know shall soon be.

God Almighty standing tall,
Will bring you to your beckon call,
Satan's kingdom shall soon fall,
And when it does this poem you will recall.

When a thief is caught in his sin,
He will rot and decay from his conscience within,
God will stop him from committing that sin again,
When God gets finished you will be a God fearing man.

Heavenly Home Waiting

Dedication to I dedicate this poem to lost souls who need Jesus

Sinners hear me when I say

better fall down upon your knees and pray

for soon there will be coming a judgement day

repent now, have all your sins washed away

Reserve your spot in heaven's bright shore

No pain or suffering should you endure anymore

For God promised peace and happiness forever more

All is equal in heaven, no one is rich or poor

Colors doesn't matter, for God created all

A place prepared for you in heaven when he comes to call

So get ready sisters and brothers,

For in heaven I want to meet you all

Climb upward, hold on, and don't fall

Into Death, Into Life

The Kingdom of God is inside us all

There's one baptism and one resurrection,
If you figure this out your in the right
direction.

For God so Loved "us all",
And Jesus was the first God did call.

Now in Jesus likeness we must go,
From death to life you know.

Our flesh must die, so we can rise in spirit
I am speaking to all, can you understand
and hear it.

The Lord say's "Do Not Fear",
Open up your heart, and let Jesus come near.

Jesus never came to damn us, he came to save
us all,
He's waiting on you to wake up and call.

I've been chosen

My whole outlook on living has changed,
Jesus opened my eyes, everything has been
rearranged.
I will honestly say the sins I have
committed I am so ashamed of,
But now I am so thankful for Gods great Love
Jesus heard me when I cried for forgiveness
of my worldly sin,
He picked me up and said welcome back again.
Yes I let the weak flesh drag me down "backslid"
And a dark cloud hang over me and the Lord was hid.
Then Jesus called my name and said come here
I opened up my heart and he came near.
The Lord has now anointed me to spread God's word,
The Lord's day is at hand, have you heard.
Suicide is the only sin not forgiven,
Repent your sins now, start LIVING!

Mark Of The Beast

Dedicated to all blinded souls

The mark of the beast is evil on your mind,
and a weapon in your hand.
War and rumors of war spread across the land
Men going to war taking other men's lives,
they have got blood on their hands,
oh' how Jesus cries.
Gods word says the heart can deceive,
I pray for them to open up their eyes,
and upon the Lord believe.
Get Gods seal on your forehead,
For in the Bible I have read.
The Lord will write the Word of God,
in your heart and on your mind.
Turn from your evil ways and the truth you
will find.
Who ever shall call upon the Lord,
shall be saved, Forgiven!
Stop killing and start living!
His blood paid your sin dept,
How can you turn from him and forget?

Prophecy In A Dream Revealed

In a prophecy dream this is what I seen,
Police officer's everywhere, what did this mean?
They were cruel and nasty and had no care,
False accusing is all I could hear.
In this dream there was one decent officer there,
One in who with the corrupt officer's didn't share.
He had respect and done his job right,
This prophecy startled and amazed my spiritual sight.
The chief of them was nasty and distraught,
My children witnessed the word of God they'd been taught.
This chief officer was corrupt in every way,
He has persecuted me and my children everyday.
But my God has a reason for this to come to be,
God is my vengeance and this man will soon see,
He'll regret attacking God's called and chosen one,
When in God's wrath satan will flee, he will run.
God will put a stop to satan and his evil deed,
This man has attacked God's blessed seed.
This evil filled man to God will have to call,
For his evil kingdom shall soon fall.
God is my refuge on life's stormy sea,
I trust in Jesus, and I know this prophecy will soon be.
God will put a stop to this man filled with satan's spirit,
Can you understand? can you in spirit see and hear it?

Prophecy Of Protection

My body in a cocoon laying on the ground,
Multitudes of people came from all around.
I could hear every word they would say,
They were praising that I had died that day.
But to their awakening, to their surprise,
Jesus busted the cocoon and my spirit did rise.
They fell to their knees on the ground,
I was of God the truth revealed they found.
They began repenting, their souls rose to the sky,
Upon Jesus our Savior they did glorify.
In this prophecy I laid three and a half day's,
A chosen witness of Jesus my soul doth praise.
This prophecy is yet to be completely fulfilled,
A witness for Christ I shall be overcome and killed.
By man's corrupt and evil mind,
In God's Holy Word you will find.
The messages of the witnesses and a world so wicked,
They'll soon realize by satan they were tricked.
They kill with words spoken against God's chosen child,
But God's wrath will protect the chosen one's called.
God promises in his word divine,
The wicked will witness when God reveals this child is mine.
They'll confess then to the wrong they have done,
God will win the chosen soul's of his son.

Souls are you ready for the Harvest

I dedicate this poem to all for my love of jesus

When Heaven burst open and he comes through,
Oh' souls what is the destiny of you?
Will you enter New Jerusalem life eternally,
Will you be dead in sin,
cast in a lake of fire burning again & again,
Jesus, Lord of Lords, King of Kings,
will claim the souls that serve him.
The heart is weak and easy to be deceived,
Call on the Lord if you have ever believed.
The end is nigh even at the door,
Oh' souls what are you waiting for?
You can't take worldly life,
power and riches into New Jerusalem,
You have to sacrifice to enter in.
Have you kept the 10 Commandments,
or are you breaking a few?
Yes God is merciful,
but will he be merciful on you?
Oh' souls are you ready to risk it all?
Or are you ready for the "Harvest Call"!

Spiritual Desire

Spiritual vision in the night,
My soul took on a spiritual flight.
Now my soul has a yearning desire,
To be filled with the Holyghost fire.
Yearning soul with all it's might,
Absorbing his power til he faded out of sight.
His Mighty return my soul doth crave,
As he calls the dead shall rise from the grave,
My soul yearns his coming in all his power and glory,
To spend eternity with him world ended non-fiction story.
To see him as he is and always be filled with his Holyghost fire,
Eternity with Christ is my spiritual desire.

Spiritual Wisdom

Moonlight glistens,
Soft wind whispers;
My heart listens.

Shadows fall on ground,
Ray of light flickers;
My eyes have found.

God's amazing wisdom no limit,
Knowledge foretold in surroundings;
Surprised by understanding it.

Spirituality comprehended,
When time began;
Until life has ended.

The Lord walks among men now

To those curious read Hebrews

My flesh is dead the Holy Spirit resides
inside this carcass you see,
The Spirit guiding every step of the way,
speaking words from my mouth, not me!
He shows me signs and great wonders
that amaze my sight.
He has illuminated me,
His spirit manifested inside shining bright
He is warning all lost souls,
now is the time to repent.
The spirit speaking Gods words everywhere
this dead carcass has been sent.
The end is nigh even at the door,
Repent now what are you waiting for.
Trumpets sounding loud,
He'll soon come through that cloud.
New Jerusalem with him he'll bring,
All the saints shall then sing.
And in New Jerusalem forever remain,
For he shall reign.

Valley

I find myself struggling
going through a valley
I don't seem to understand

I am fighting battles
I feel myself sinking
Then God say's take my hand

I find God is with me still
And remember in the lowest valley
I can climb the highest hill.

Vision Of Christ

I fell asleep praying in the night
And to my surprise my soul went on a spiritual flight
My soul was standing outside my door
Is this real I'm not sure
As I looked up straight forward what did I see
The Mighty presence of Jesus stood before me
In spiritual form from his head down to the ground
A brighter than clearness my spiritual eye has found
A fisher's net stretched from his feet to me
It was full of beryl stones in diamond shape I did see
Am I dreaming or am I awake I don't know
His utterance began to speak to my soul
He said my child this is real and this is of me
I've called you in spirit to let you see
You have been chosen and I have works for you to do
And in a little while my child I'll be back for you
My soul desired to be in his presence for eternity
I felt such love I longed for him to be closer to me
My soul yearned to go with him but I had to go back in
Then he said I'll be back again.

Vision Of My Judgment

I seen my judgment plain and clear,
Jesus drew my spirit near.
As the past began to unfold,
I seen mistakes, my blood ran cold.
So much pain, so much sin,
I never want to be there again.

Then all of a sudden with great delight,
Praise the Lord I saw the light.
All the good he did reveal,
Glory to God I took his seal.
What a marvel I did see,
I have a crown of Glory in eternity.

My Savior spoke loud and clear,
I hold the vision oh so dear.
As he said you've made it my child,
Such sweet words so tender and mild.
Forever longing for what I did see,
To be with my Savior in eternity.

A True Love

I finally found true love,
It came from God on the wings of a dove.
And he said my child you are worthy,
And he said he had a crown of glory
just for me.
He took my broken heart and restored
it brand new,
He filled it with the Holy Spirit
and that was a love I never knew.
Now when I am weak he makes me
strong,
And I praise God with a new song.
There's no love in sin,
Thank the Lord he took me in.
He is the true love I've always
longed for,
I've found a true love now, and I'll
look no more.

Alpha and Omega

I dedicate this poem to all souls

God said I am the beginning and the end,
In Revelations it tells of the plaques,
that he will send.
Time is running out the end is near,
Can anyone see, can anyone hear?
The antichrist has been at hand,
Now is the time to Harvest for New Jerusalem
The 10 Commandments shall forever stand,
In order to make it to the Promised Land.
Christian soldiers God wants you to put on
the armory of him,
This is how you defeat evil forces and live!
Have you not heard?
The sharp sword is Gods word!
Do not break the 10 Commandments God has enforced for all,
For in a lake of fire is where you will go,
when he makes His Harvest Call.
The beginning is over the end is near,
God says Alpha and Omega, you better fear!!

Barbara Ellen Blevins

Be Still

Suddenly" caught off guard
Stop" be still
Anger" do not enter
Peace" be still
Surprised" all of a sudden
Reaction" be still
Wait" upon Jesus
Silently" be still

Barbara Ellen Blevins

I Dream of New Jerusalem

I have read a lot in Revelations,
The Lord has taken me through tribulations.
I am still standing strong with the Lord,
I look for New Jerusalem, my promised reward
I fall asleep praying every night,
The Lord takes me on a Heavenly flight.
He shows me visions of future days ahead,
as I lay sleeping in my bed.
When I wake in the morning light,
He shows me wonders that amaze my sight.
My 3 year old son has visions also,
He repeats what the Lord showed me days ago
New Jerusalem is coming into view,
The Lord's coming is near I tell you.
He'll come through the cloud as he descended
"New Jerusalem with him" the world is ended.
It will happen just as I say,
Better get ready now is the time to pray.
Revelations is a loving promise to me,
New Jerusalem I am starting to see.

God Feeds His Flock

My spirit awaketh as my body layest asleep,
A spiritual vision I shall reap.
A flock of deer gathered all around,
Eating seeds up off the ground.

From the vision my spirit did see,
That the Lord would soon be using me.
My soul returned into this body of flesh,
So clearly I see the deer eating grass.

Just a mile or so down the road,
The vision I had seen began to unfold.
A praying mother cried with a mournful soul,
Requesting prayer for children she loves so.

She ask me to talk to them for things done,
Jesus fed them seeds, the de*** had to run.
They heard words Jesus spoke through me,
I knew the children ate seeds sown you see.

The interpitation of this spiritual vision,
The deer are Gods children under supervision
God sent me spirit filled to sow this seed,
The seed is the Word of God for that need.

Within My Heart

I am not prisoner of people's thought,
I listen, I learn from what I'm taught.
I am Barbara, that is me,
I'm not prisoner I am free.
I'm not tossed with every wind,
I stand strong as Jesus my friend.
I treat people how I want them to treat me,
I look for the good and that is how it should be.
I am equal to all my peers,
I have gracefully learnt this in my 41 years,
I am not prejudice against the color of skin,
I find beauty in the soul within.
I find peace in a world corrupt and lost,
I know my Savior paid the cost.

Barbara Blevins

Spirit Of Prophecy Is: The Testimony Of Jesus

Revelations 19:10 for the testimony of Jesus is the spirit of prophecy

I'm dead to the world, alive in Christ, I yearn for eternity,
World honor not for me, I want New Jerusalem, to live as royalty.
My God chose me and anointed me at age nine with prophecy,
I didn't understand the gift, I was frightened of what I'd see.
My God would reveal visions and dreams, and they came true,
I couldn't imagine, God was preparing me for works of him to do,
I have interpretation like Daniel, God reveals mysteries,
He leads me in spirit & truth and fills me with his testimonies.
God pulls my spirit upon a mountain, a voice so powerful & strong
He tells me of false worshiping, he teaches me right from wrong.
That's how he taught me of the false image, men worship today,
I had images, until God taught me in spirit of them that day.
I gathered the images and God told me to give them to a man,
He said to give them with the message he gave on the mountain.
I took all to his house with message, & scriptures printed out,
Time past, nothing happened, satan attacked my mind with doubt,
I said Lord I done what you said to do and men are persecuting me
The next morning I went to pay bills in my mirror I did see.
The man's store full of images burnt the only remains, a cross,
The preacher repaired his store with images, oh what a loss.
I pray God open his eyes, he's leading your children astray,
His Church has painted images, God speedily open his eyes I pray.
He's in carnal mind, instead of God's spirit,
He couldn't comprehend the message, he couldn't see or hear it.

Barbara Blevins

Spirit And Truth Overcomes Carnal

Oh how saddening to heart to see,
A professing Christian that thinks their better than me.
Claiming to be of God who sent Jesus to die at Calvary,
He paid the sin debt and set us all free.
And all through the Bible his story has been told,
His blood shed, His life paid, He was sold.
Then this prostitute was condemned by men,
But Jesus said to her go you are free from sin.
Jesus is accused of being a sinner in John chapter nine,
A great miracle worker they shame and decline.
The Pharisees say he's not of God because they are blind,
And now men say God don't hear a sinner's prayer we find.
The blind boy was accused of being a disciple of Jesus,
Now men teach when we pray that God don't hear us.
A simple misunderstanding of scripture they do preach,
Jesus said all are sinner's, and carnal minded men falsely teach.
On a narrow path to the cross,
Jesus gave his life for a world of loss.
He preached the word of spirit and truth like sent to do,
Persecuted, crowned, and crucified the Savior they never knew.
Jesus said to leave the 99 saved and go find the one lost,
He gave his life for this blinded world, He paid the cost.
He seeks such to worship in spirit and truth in John 4:21-24,
Men's holy places of worship shall be no more.
