

SEX^{AND}_{THE} SAINTS⁺

As I travel and speak with people in churches, schools, and communities about the perils of HIV/AIDS and other sexually transmitted diseases, issues ranging from abuse, sexual impropriety among the clergy, closet sexuality, and pornography, all come up in conversation. I am amazed at how much people need to disclose about sexual issues, and how repressed the church has been in general, when it comes down to the discussion. After much prayer, this book of testimonies is being released, not exclusively as a tell all, but as a means of opening up the dialogue in the church

Sex And The Saints© is a compilation book of stories, written by people in the church who struggle with issues related to sexuality. With no limitations except those put on by the Holy Spirit, we labored to bring you a book that honestly, but tastefully, exposed the things we do in the closet.

The Bible says they overcame him by the blood of the lamb and the word of their testimony. Through the cathartic process of writing and telling their testimonies, the featured writers claim spiritual renewal and victory over the sins that so easily beset them.

Wherever you are in your personal experience, this is a book of healing and insight. **Sex And The Saints©** will encourage and uplift you in a conversational, story-like tone that is entertaining, but appropriate for the body of Christ to read. While we anticipate controversy, we also declare victory in the name of Jesus!

Natasha David-Walker is a motivational speaker, author, and host of Talking To Tasha, an Internet-based radio show. She is the founder of Living Light Ministries & Public Health – Health Education/phHE, a non-profit health education organization.
