

Griffy has an Accident

"Wow, I'm going swimming," yelled Griffy Giraffe, as he ran into the water.

"Wait for me," yelled Eliza Elephant, as she ran after Griffy.

Running in the water, Griffy hit a log and fell face first into the water.

"Griffy screamed in pain. "Eek, Ow, Ooooh, my leg!"

Eliza quickly ran to Griffy." Griffy, your leg is caught under the log," said Eliza.

"Eliza, lift the log!" screamed Griffy. "It hurts."

"When I lift the log, pull your leg out," said Eliza. Using her trunk, Eliza lifted the log and moved it away from Griffy's leg.

"Ouch, ohh, I can't move it," cried Griffy. My leg is broken."

"Hold on Griffy," said a very worried Eliza. "I will pull you out of the water."

Eliza put her trunk carefully around Griffy's body and slowly, very slowly, pulled Griffy out of the water.

"I can't walk on this leg. How will I get home?" cried Griffy.
