

DOOGALOO BEAR

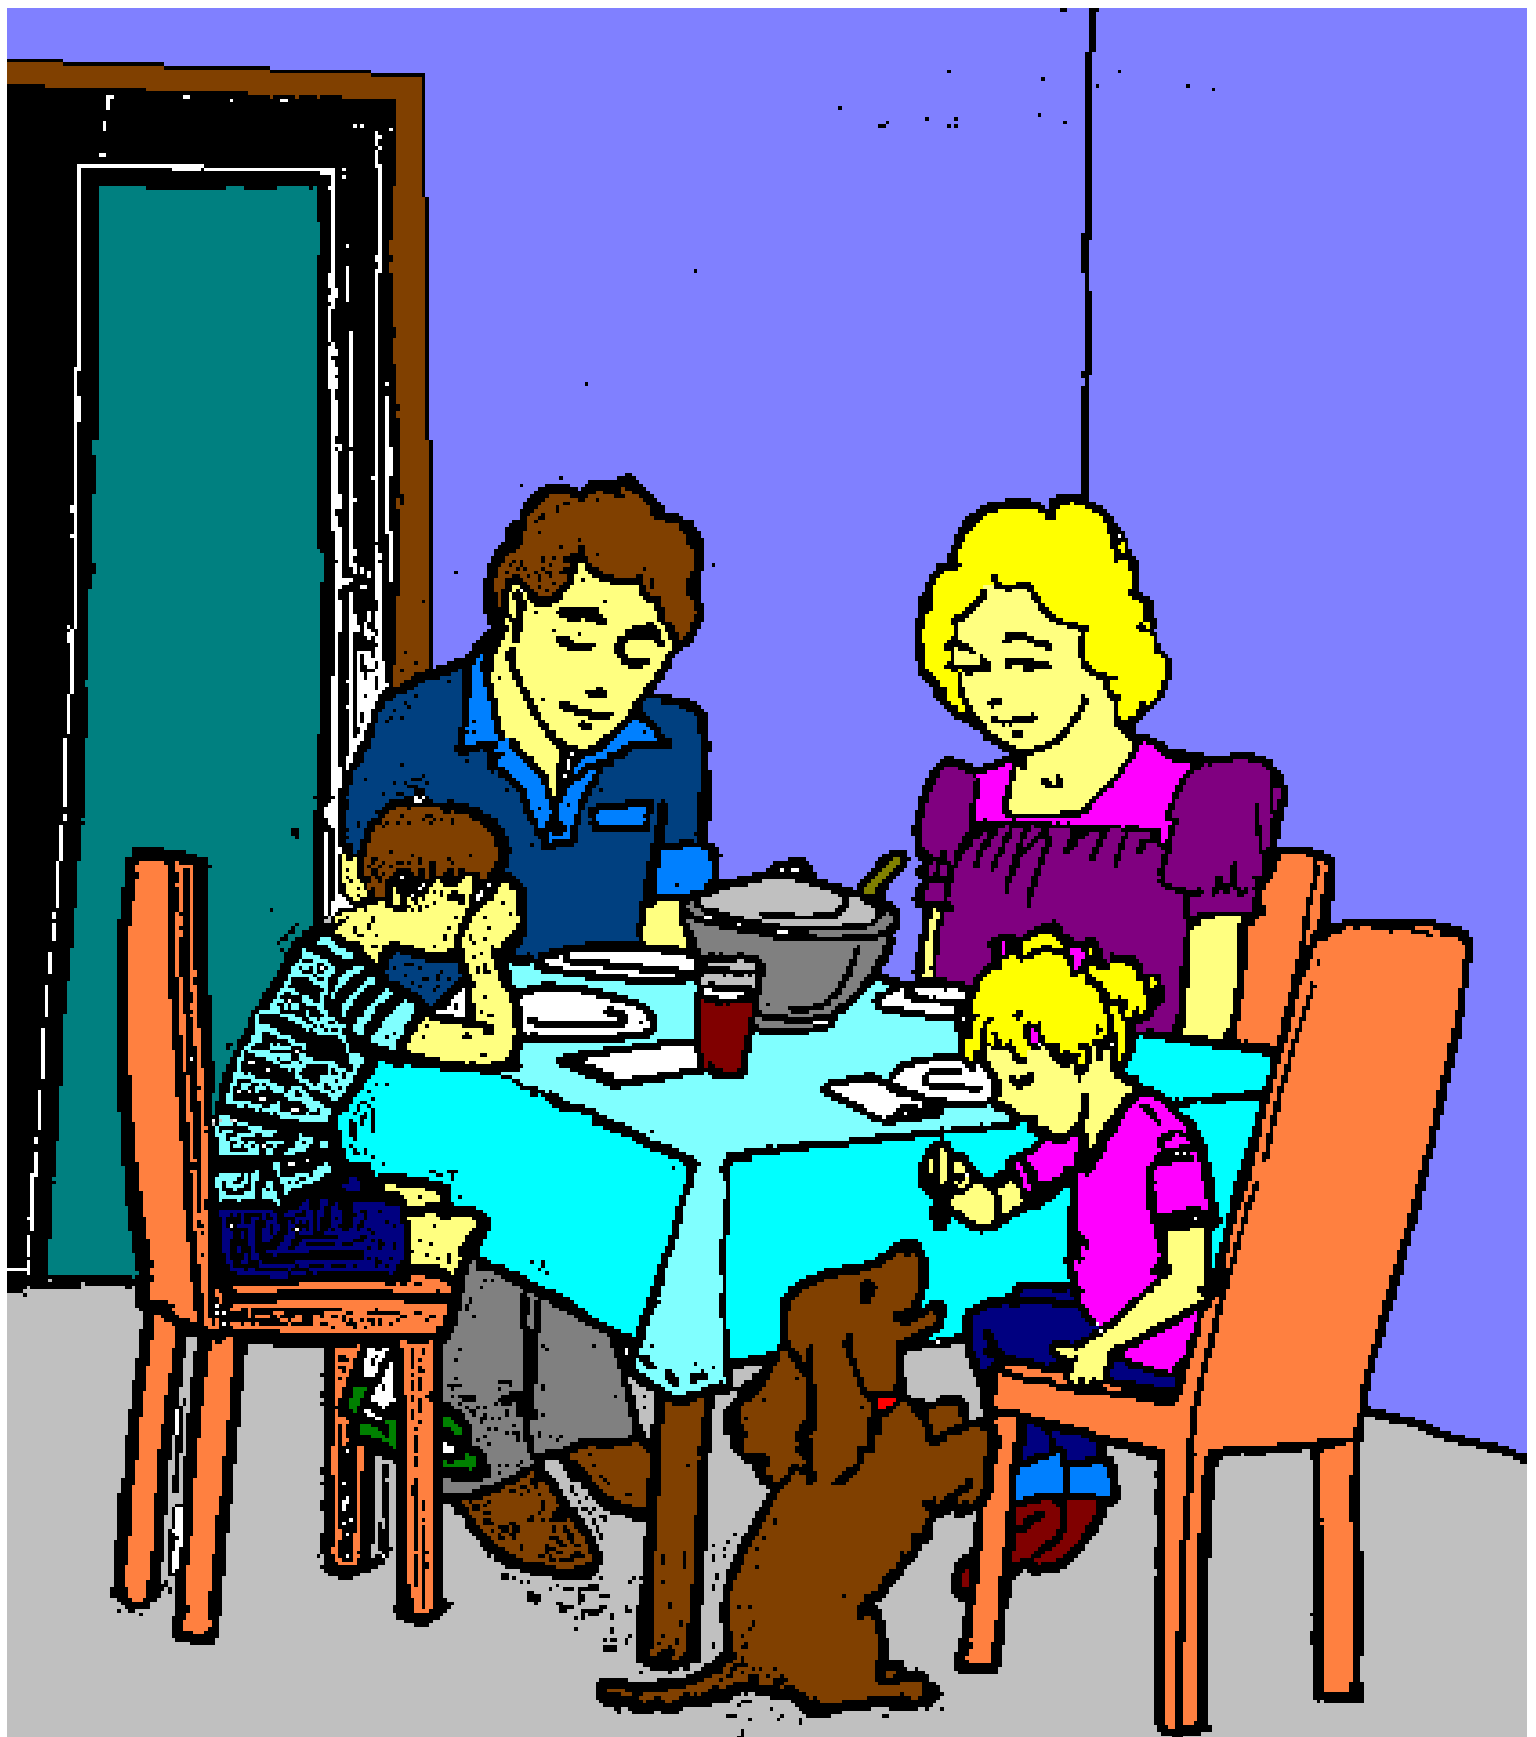

J. B. Kirkpatrick

Kacy is home from school.

It smells good to Chester too!

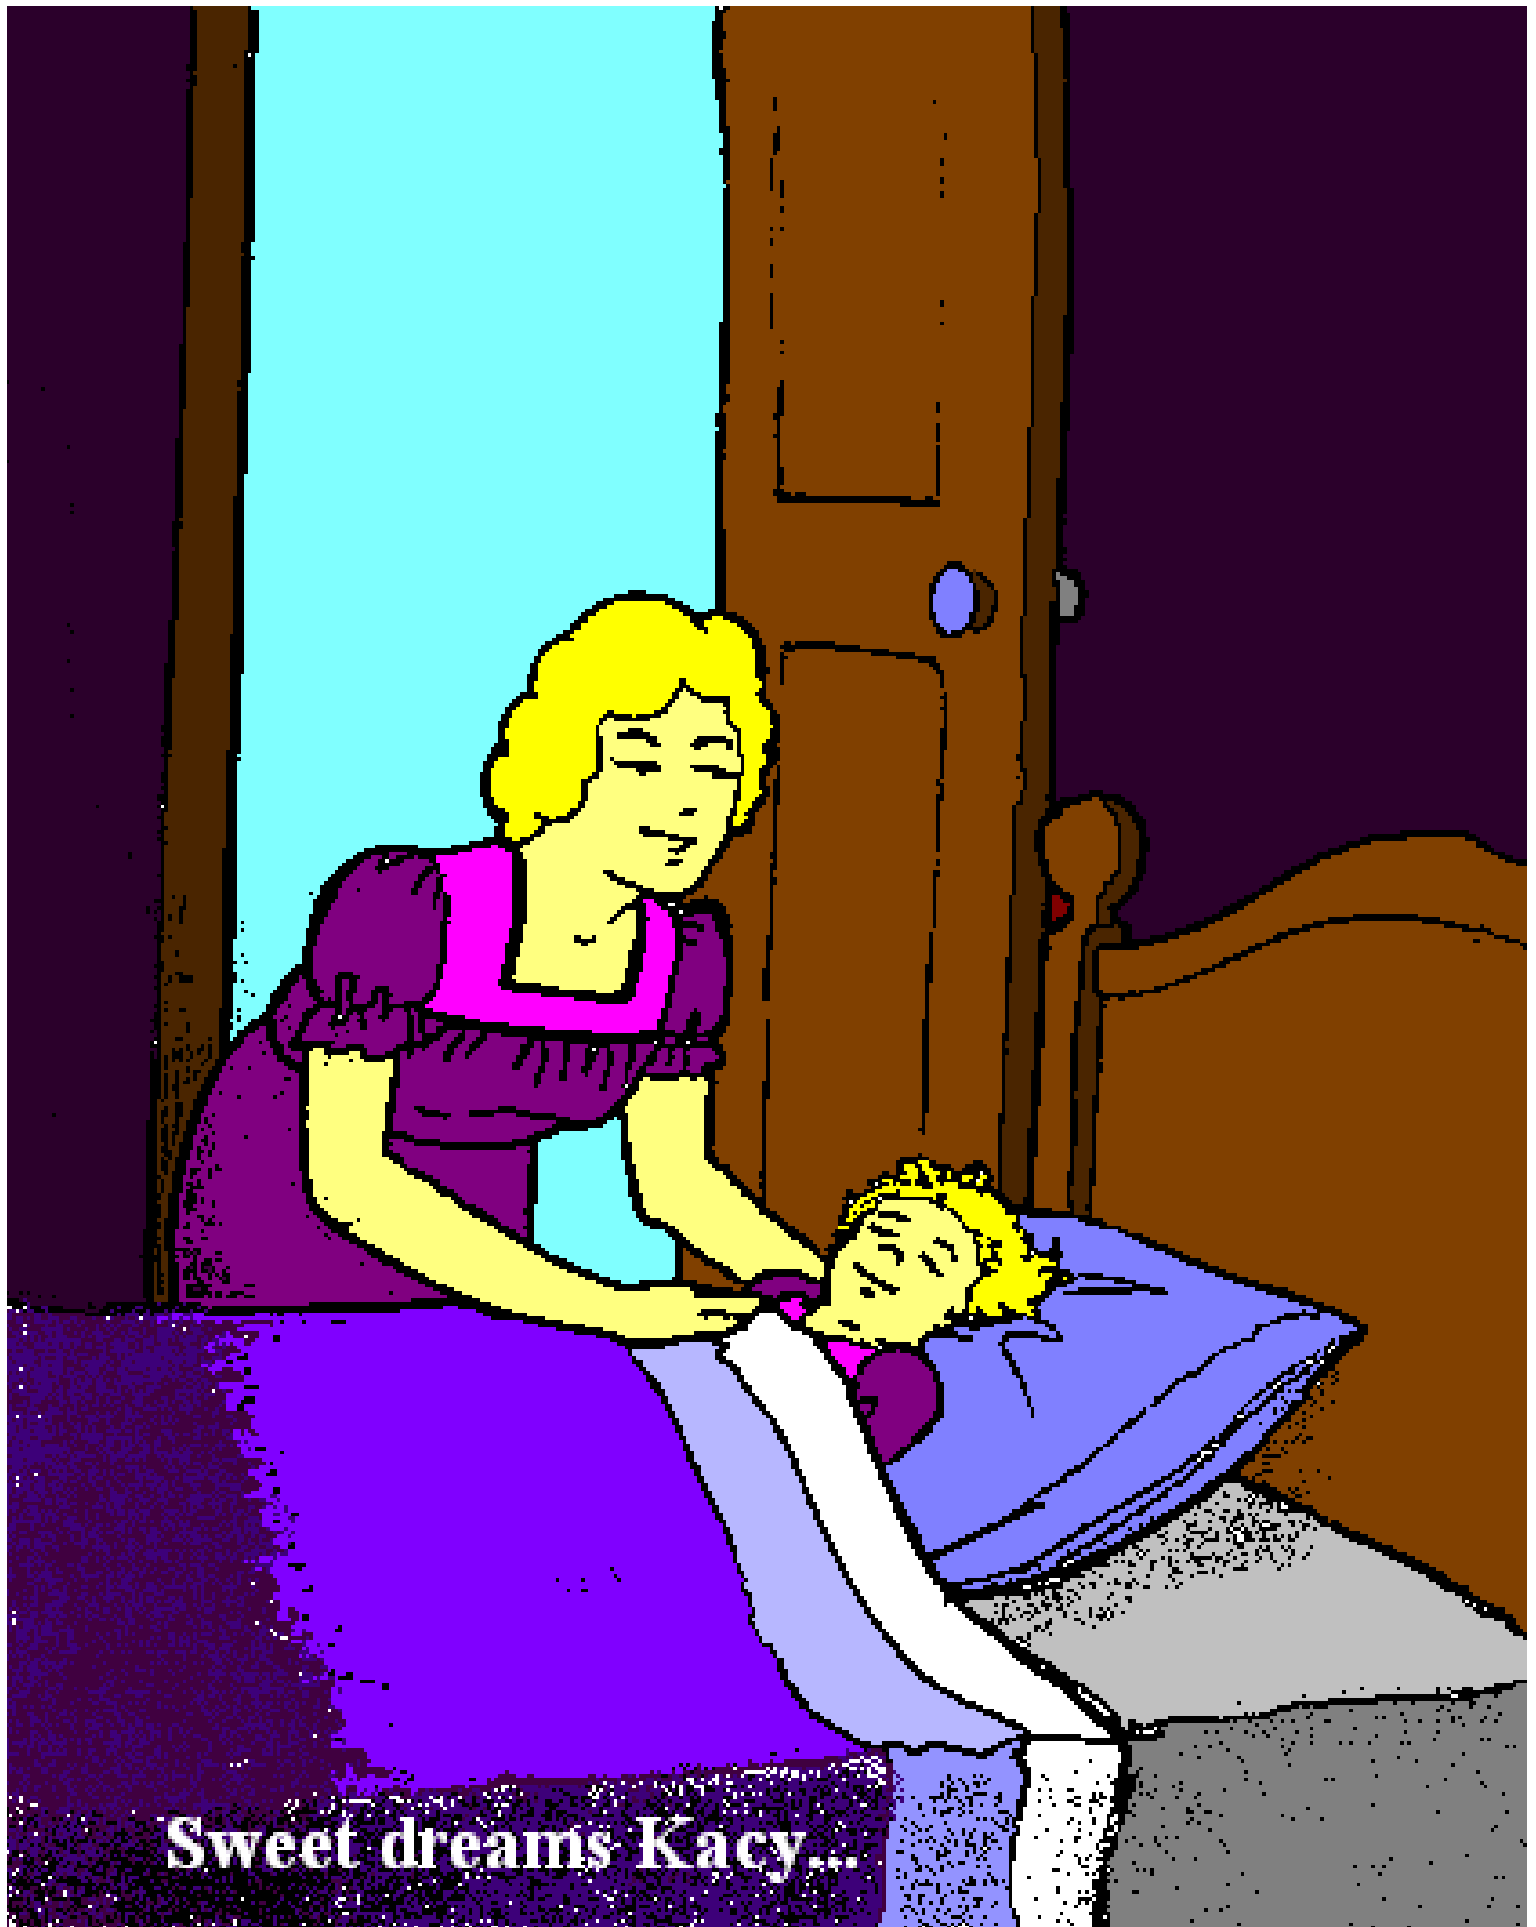

Let us thank Him for this food.

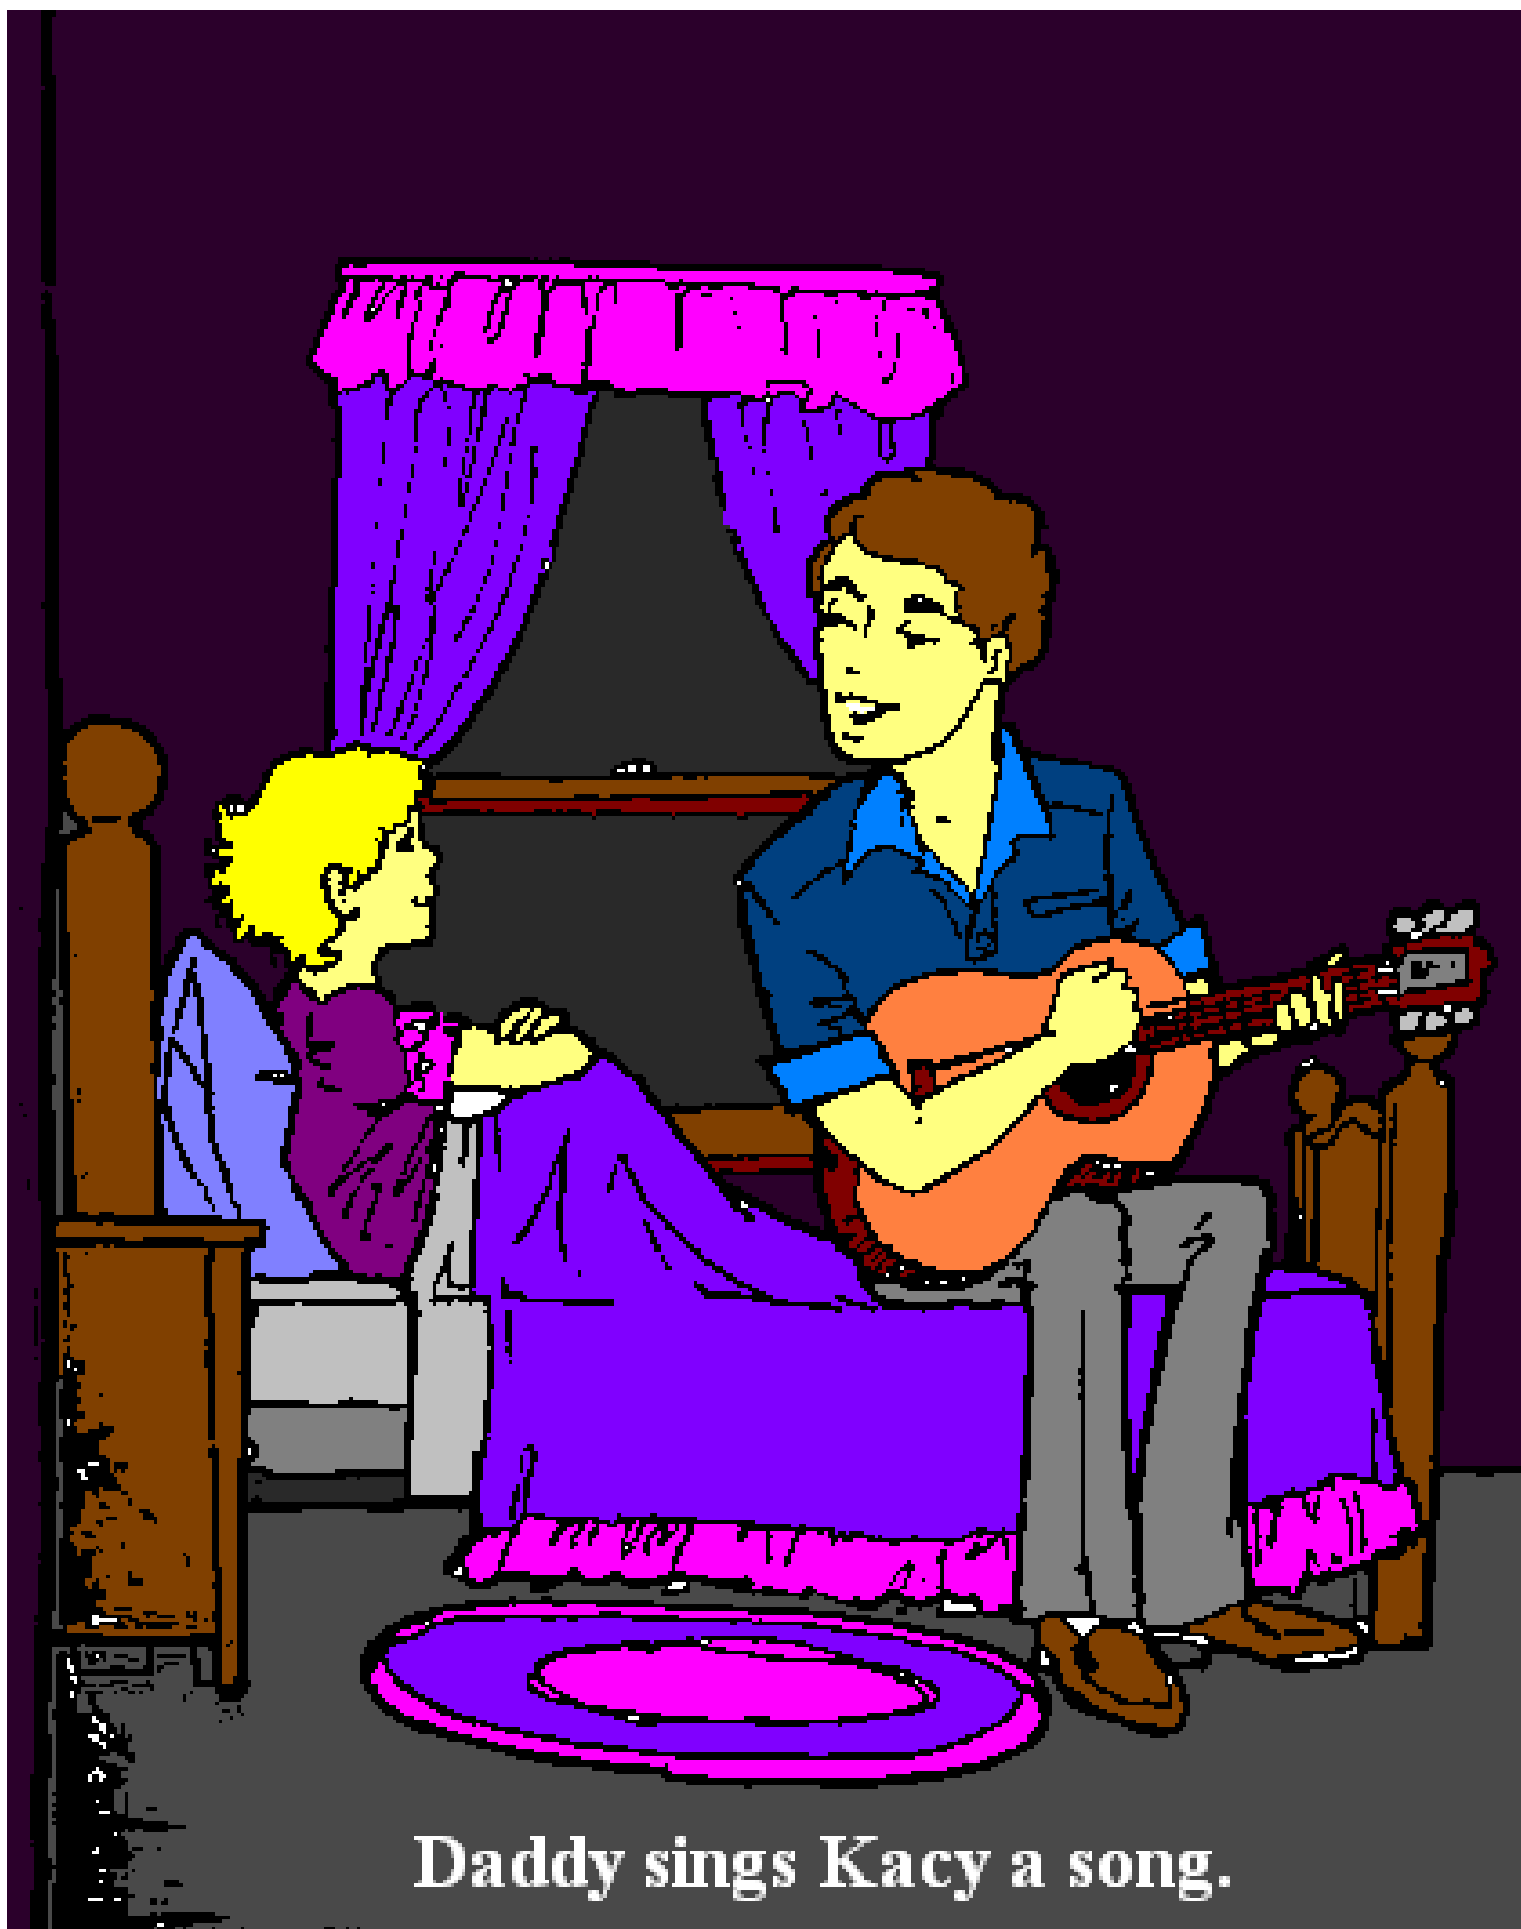

Let's help clean up.

Sweet dreams Kacy...

Daddy sings Kacy a song.

The Boogaloo Bear

When you turn out the lights and you get into bed
And after all your prayers are said
The Boogaloo Bear is hiding... there below.
But don't you fear never shed a tear
You know that he sure loves you dear
And he won't let the boogie man bite off your toes.

Oh the Boogaloo Bear is a friend you see.
The Boogaloo Bear is not scary.
The Boogaloo Bear is a friend... to you and me.
He's hiding there and you will see
That he'll protect both you and me.
Oh the Boogaloo Bear is a friend... to you and me.

So where ever you are when the lights go out,
Don't you cry and don't you pout
'Cause the boogaloo bear will keep you safe from harm.
Just remember that you've always got a friend.
The Boogaloo Bear is not pretend,
And you know that he will keep you safe and warm.

Oh the Boogaloo Bear is a friend you see.
The Boogaloo Bear is not scary.
The Boogaloo Bear is a friend... to you and me.
He's hiding there and you will see
That he'll protect both you and me.
Oh the Boogaloo Bear is a friend... to you and me.

Yes the Boogaloo Bear is a friend... to you and me.

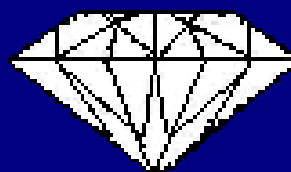

Good night princess.

Guess who...
