

When one truly gives their heart to someone else...does anything else even matter?

Coming to terms with a fatal illness and accepting that there is little to no chance of surviving is exactly what Sarah Davis has done. Shutting out most of her family and friends, she forces herself to go through the motions of day-to-day life. This outlook changes when Sarah is offered a chance to star in a new film.

A relationship develops between her and the lead actor, Johnny. Keeping secrets and struggling with emotions are the focal point of her life until the new relationship starts to grow. Could she give her love? Should she want to try? Would it hurt Johnny? Now, Sarah is faced with one of the hardest decisions she would ever have to make, but it does not compare to the revelation of Johnny's own dark secret.
