

Nancy's Nearly Nice Night

Nancy has always been excited to see her wonderful Norwegian Nana whenever she comes to visit from Norway. This time however Nana has brought her brand new pet nightingale name Noah. Who is quite a nettlesome nin-com-poop. Now night after night he is being a non-stop nightmare for Nancy with his nonsense. Even though she is frazzled, sleep deprived and on the brink, she decides to take matters into her own hands. In the end will she be able to negotiate and neutralize her nemesis?
