

Ex 9: Complete the following excerpts of dialogues between a doctor and a patient. Use the words in the box below:

muscle	toothache	spining
back pain	tight	painful

Patient: I've got a (1) _____. Could you have a look at it, please?

Doctor: OK. Could you describe the type of pain for me?

Patient: It's throbbing....really (2) _____.

Doctor: All right. Could you open your mouth for me so I can look at your tooth?
