PREVENT AND COMBAT DANGEROUS VIRUSES !

Treatments for FLU, COLDS, MEASLES, ENTEROVIRUS, CHOLERA, EBOLA, etc.

Want a natural spa treatment?

Once a week for 20 minutes, sit in a hot bath that contains a handful of Epsom or sea salts, 10 drops of lavender essential oil, and a half cup of baking soda. This combo draws out toxins, lowers stress-related hormones, and balances your pH levels.

Edutainment videos are presented in a 'SLIDE SHOW STYLE' --- with various sections and parts.

These videos are ideal tools for workshops, training classes and home-study. The contents permit users to stop & play each section (at their own pace) ... or watch the entire video all at once.

For more info, contact us by email = cultural-diversity@hotmail.com
