

Epilogue

Success is ours. Let's take the seeds provided to us and allow them to be cultivated and nurtured as we prepare and position ourselves. Let's not destroy our seeds of success with doubt. We should remain focused and adaptable. Let's enjoy the journey to our birthright of successful living. Let's internalize the following:

- 🍯 Success is achieved when we develop the ability to find other open doors when one is closed.
- 🍯 Success is achieved when we see ideas like stars used to guide us to our desired destination.
- 🍯 Success is achieved when we play our part in a team effort.
- 🍯 Success is achieved when we develop the attitude of gratitude.
- 🍯 Success is achieved when we embrace every situation as a step in the natural progression to the ultimate goal.
- 🍯 Success is achieved when we tailor our attitude to fit any situation.
- 🍯 Success is achieved when we send out positive thoughts and positively activate the world around us.
- 🍯 Success is achieved when we arrange our lives' picture in that, the picture tells its own story.
- 🍯 Success is achieved when we live life to the fullest by doing our best in any endeavor.
- 🍯 Success is achieved when we place our mental and physical being where we are seen and heard even in a crowded world.
- 🍯 Success is achieved when we labor skillfully with the right equation of labor and rest.
- 🍯 Success is achieved when we understand that we are catalytic agents in the creation of miracles.
- 🍯 Success is achieved when we understand that the success journey starts with a crystalline vision of the destiny in mind.
