

This award winning book examines the biblical quest to obtain eternal life. It guides readers through the journey in a step by step progression, from ancient prophecies to their final fulfillment. The Message for the Last Days maps out God's intersection of our temporary condition to the eternal.

Reviews –

Well-researched and clear explanation – The author undertakes detailed Biblical research to find clarity and common ground regarding different beliefs on salvation. He makes a supportive presentation as he gives guidance and references to describe the final days in this world. Reading this book, you will get invaluable guidance on understanding the Bible.

– Rev. Stephen R. Wilson, author of *Last Days: A Biblical Guide to the End Times*

Get out your shovels and get ready to dig deep! The Message for the Last Days is not a light read or a broad surface explanation of biblical prophecy. K.J. Soze takes the Bible's message that you may already be familiar with and makes bold and logical conclusions that challenge your very beliefs. The Message for the Last Days is powerful and enlightening, and provides content for meditation for any Christian.

– R.C. Gibson for *Indies Today*

About the Author –

KJ Soze is a Christian non-fiction publisher that uncovers “lost in plain sight” topics of the Bible such as salvation, end times and the afterlife. He integrates over 30 years of experience in historical and biblical research with his scientific and analytical skills to present refreshed orthodox understandings of the Bible. KJ enables Bible disciples to see the obvious as he strips away at mythological and cultural lenses that often blind our beliefs from God's intentional gospel. Books and articles by KJ Soze cut across various denomination lines to help find unity and clarity for those who may hold differing interpretations.
