

God Got Me Too

Trials and Tribulations

I constantly endure

Each day my faith, love and hope is being tested

I'm beginning to feel unsure

I'm not secure

I'm not strong

Right doesn't feel right anymore

I'm leaning towards doing wrong

Hardship

I don't know how to handle this

I'm surrounded by a wall of suffering

I'm trying to dismantle this

Break it down

I can't separate from my hurt

That's why I frown

Smiling is difficult
Because anger is all I feel
Pain torments me
And sadness kill

I've suffered grief in all kinds of trials
I've been hard pressed on every side
Perplexed
My hope died

I've been strucked down
I've been persecuted
I've been destroyed
I've been executed

But I keep going
I keep living
I keep loving
I keep forgiving

God Got Me
This I express
My belief in Him fills me with glorious pleasure

Overwhelming happiness

I humbly praise

I greatly rejoice

Glory and honor to God

Lifting up my voice

God is saving me

God is rescuing

The righteous path

This is what I am pursuing

Difficult experiences and problems

We constantly go through

But I know God got you

And God got me too
