Piece.
Peace.
Hmmm...

Yeah, a piece of peace!

Waitress!

“How may I help you?”

I'd like a piece of peace, please.
Have you got any of that?

Well, people haven't been
ordering that much recently,
but I think I can get that for you.

Great! And a *big* piece of peace, okay!

“Very well.”

“Would you like that as the appetizer,
for the main course, or served as dessert?”

Hmmm. How about for all three!

“We've never done that before.”

Okay, but can you do it!

“I'll try my best.”

Yeah, that's the spirit!

“And to drink?”

How about some of that passion fruit?
A *big* glass of blended *passion fruit*, please!

“A passion fruit drink?”

Yeah, passion goes really well with peace.

“Of course. I'll see if I can fill your order.”

Great—I'll be here!
Try your best, okay?
I've been waiting for
this for a long time.
Some peace with passion!

Try your best, okay?
