

EXPLORE THE BENEFITS OF THE AARONIC BLESSING!

Different from any other prayer in the Bible is The Aaronic Blessing, also known as The Priestly Blessing. It is a prayer specified only for the Levitical Priesthood to bless in the name of the Lord. Spoken directly from the mouth of God, when used correctly the words of this prayer have the power to change the tides of your life and those around you!

"The author touched a core in my heart with the subject matter of her book. Being in the ministry for many years, The Aaronic Blessing is not only one that we have prayed over people time and time again, but one that we have put to song. I was interested in how she would present this material and what she would have to say about it. I was not disappointed.

"The first aspect I liked was Ms. McKenzie beginning her work with words from her heart as she shared experiences of her youth and her family. To me, this brought a warmth to the read and I felt comfortable in settling into it. I have read countless books, written by countless religious teachers that were biblically filled with knowledge, but lacked the personal touch that mankind so needs in these troubled times. The author does a wonderful job through her writing in not talking down to the reader but encouraging them to continue on in anticipation that the knowledge they would obtain would truly be a blessing.

"The author breaks down The Aaronic Blessing, teaching on each aspect of it in detail. She ends her work with a short lesson on the Levitical Priesthood, how the prayer originated and the symbolic message it has for us Christians today. I truly enjoyed how she explained the meaning of the word 'blessing' in Hebrew and I felt her knowledge of the subject matter was exceptional. I truly enjoyed this book and believe it will bless others."
