

HEADED FOR SELF-DESTRUCTION

-- poem by Melvia Miller

MERCY, MERCY ME...
THINGS AIN'T WHAT THEY USED TO BE !!!!
GREAT & WISE WORDS FROM MARVIN GAYE
HE WAS SINGING ABOUT OUR SELF-DESTRUCTIVE WAYS...

SOME IGNORE THE EMOTIONAL STORMS
FLOODS, TORNADOES, CYCLONES AND QUAKE
REFUSING TO HONOR OUR PLANETARY HOME....
AND QUIT POLLUTING EARTH FOR OUR OWN SAKE.

BIG OIL IS A PUSHER...AND SOCIETY--- ITS JUNKIE...
ALL AROUND TOXIC-POLLUTION PUSHING FLUNKIES...
IGNORING NATURE'S LIFE-GIVING GIFTS
-- SUN, PLANTS, WATER & WIND
AVAILABLE IN ABUNDANCE-- CREATE FOR ALL A WIN-WIN.

BUT SADLY THERE ARE THOSE IN OUR MIDST
WHO CONTINUE TO ARGUE AND INSIST
THAT WE NEED TO STILL...
FIND MORE NEW PLACES TO DRILL---

FOR MORE OIL...
NEVER MIND WHAT IT DOES TO THE AIR & SOIL
FOSSIL FUEL BURNING CAUSES POLLUTION
AND TO STOP EARTH'S REBELLION
HUMANS MUST MAKE A RESOLUTION
MAYBE A 12-STEP PLAN IS BADLY NEEDED
..... TO BREAK THIS ADDICTION !

CALLOUS AND POWER HUNGRY...
WORSHIPPING MONEY--- TOTALLY GREEDY
BUSINESSES STEEPED IN CORRUPTION--
....WE ARE HEADED FOR SELF-DESTRUCTION.

~ written by Melvia Miller

When actions say --
"Screw you, Mother Nature & God."

Then Mother Nature replies --
"... Same to you ..."

THE TYPES OF WALLS THAT WE SHOULD BUILD...

WHAT IS CAUSING SO MANY
***EXTREME* WEATHER EVENTS ?**

THERE ARE SEVERAL THEORIES ON THIS TOPIC -
Has doomsday arrived ? Or... are evil men causing it with a 'weather machine' ? Or is the Devil punishing mankind ? Or are the scientists correct about the effects of pollution ? In most major religions -- the belief holds that the CREATOR GOD made the heavens & Earth ... which includes the function and structure of "NATURE. Those laws & principles dictate that Nature will respond to pollution, killing forests, burning toxic fuels that abuse, and will act to battle against and/or evict the offenders of the Eco-system.

The earth we abuse and the living things we kill will, in the end, take their revenge; for in exploiting their presence we are diminishing our future.

Coral Reefs Disappearing Faster

"Science without religion is lame -- and religion without science is blind." ...- Albert Einstein
