THE STRANGLING OF SATAN

Author's Love for Words and Travel Inspires International Thriller

Steve Dalton, an electronics graduate living in a sleepy Cheshire village, had no idea the turn his life would take on a business trip to Malaysia.

After pulling off the deal of a lifetime, he suddenly finds himself in danger, embroiled in a web of crime and murder that reaches from China to the Middle East and Africa.

As he navigates the hazardous terrain of illicit drugs and bogus medicines and vice, Steve needs to figure out if there is anyone he can trust amongst the players in this deadly game. That is, if he is to uncover the deeper motivations of the criminal syndicate—motivations that may just hit a little close to home in *The Strangling of Satan*.
