

His touch is scorching hot and rough, just how I like it. It's just sex. I don't believe in love, but he makes me feel things I have never felt. I want to try. I want to trust him with my secrets, but there is a good chance he will leave. He will see how broken I am. He is what I need to fix the broken pieces of my heart.

At a very young age, violence and secrets forced Brogan to escape the only life she knew. Now a young woman with a good career, she hopes to finally forget her past. She is tormented by demons in her dreams, and it has threatened every sexual relationship she has ever had.

Brogan meets Kyren Nolan, a sexy ex-military man. He is a yacht builder who has made his own wealth. He knows what he wants the minute he meets Brogan. He wants her, and his first meeting with her lands him on the ground.

He doesn't take no for an answer. They start a passionate affair that turns into more. He teaches her that a gentle touch can create as much heat between them. They both struggle for control. But Kyren has his own scars and secrets. When their pasts collide, will they be able to overcome the broken pieces of both their lives together?
