

GENESIS 6:8 BUT NOAH FOUND GRACE IN THE EYES OF THE LORD.

One of my favorite Bible stories is the one about Noah. He was the only one God decided to spare when God was planning to destroy the world. God spoke of Noah's faith and godliness so He let Noah and his family live when the flood waters overtook every person and creature on the earth.

I strive to be faithful and live like God would be pleased with so that I might find favor in His eyes.

His grace was already made available because of His love and mercy by sending His Son Jesus to die for my sins. Thank You Father for your amazing grace.
