

Truth By Testimony

Truth By Testimony

You can taste the things that God has in store for you. And if you will listen he will direct your path. For you shall hear his voice as it minister in your heart. For on the threshold of time, we are allowed to visualize and touch what is a miracle, and to witness the power of God. To know that we receive must give us testimony of the things that journey beyond our physical sight. To see, to smell, and smell the freedom of riding is difficult to word. But we know every good gift and every perfect gift is from above, and comes down from the Father of light. As my perception of these events, are clear to the carnal mind is a vision of truth, I honor the God in you who can believe with Faith, for such is my truth.
