REVIEWS:

Read what the leading US Miniatures Magazines say about **IN MINIATURE STYLE**:

"...She presents settings by **Barb Plevan, Leon Pascucci**, and others through pictures and text, along with tips and techniques in a handy compact disc format... Mini makers may elect to print out selected pages or even the entire book to use as a quick reference while they shop for supplies and work on projects..."

- **DOLLHOUSE MINIATURES**, Jan.'03, pg.21.

"...IN MINIATURE STYLE is 94-pages of inspirational projects in 1/12th scale, how-tos and artisan profiles, and Chris has even included a short mystery story, Made in the USA?..."

"...A computer-savvy miniaturist who is interested in a variety of projects will enjoy e-reading and making more minis."

- **AMERICAN MINIATURIST**, Jan/Feb. '03, pg. 69.

"...Christine and other miniaturists provide well-worded instructions, tips, techniques, color photos, and line drawings -for their individual projects..."

- **MINIATURE COLLECTOR**, Feb. '03, pg. 101
