

Arches (26)

Shadows
Crossed the arches
Of
Time....!

Golden light
Higher
Descending
To a realm
Beyond the
Comprehension of
The human
Mind....!

And
You....!
You are
Divided between
So called
The past
The future and
The
Dimension of
Expiring
Night....!

Living multiple
Worlds
But conscious
Momentarily
In a spec

Exist
Only
In your lower
Mind....!

Shadows
Crossed the arches
Of
Time...but only
To recycle
The decaying
Of a dying
Life....!
