

A photograph of a multi-story red brick building. A metal fire escape with railings runs diagonally across the front of the building, connecting several floors. There are numerous rectangular windows, some with white curtains and others with blinds. Some windows have flower boxes or small plants on the sills. The text 'Levente no. Yolayorkdominicanyork' is overlaid in large white letters across the middle of the image.

Levente no. Yolayorkdominicanyork
